PRIVATE: €12,500 Excl. VAT\*

\*Applicable rates from 1/1/26 to 12/31/26

2 DAYS (14h)

Design and implement the Product strategy, from vision to roadmap, including the definition of OKRs.

## Target audience and prerequisites

This training is designed for Heads, Directors, VPs, CPOs, and CEOs responsible for defining and steering Product Strategy, as well as for professionals managing all or part of a Product organization, whether at the tribe level or across multiple squads.

To ensure a consistent level of experience and high-quality discussions, all applications go through a **qualification process**, including a questionnaire and, if needed, a follow-up call.

## Training objectives

Design and implement the Product strategy, from vision to roadmap, including the definition of OKRs

- ✓ Connect **vision and Product strategy**, and understand what a Product strategy is (and isn't)
- ✓ Establish a **strategic diagnosis** and set the strategic challenge
- ✓ Define all the elements of a **strategic direction** (intent) linked to corporate strategy
- ✓ **Decline it and make it executable** by teams (missions and OKRs) and link strategy and roadmapping
- ✓ Manage their strategy **over time**

## Acquired skills assessment

- Acquired skills are assessed throughout the course by the trainers.
- At the end of the session, participants will receive a certificate of completion.

They talk about us

## Our trainers

Our training courses are led by one of our **experts**, who act as **trainers**, **program designers**, and **consultants**. They combine their professional experience with pedagogical skills to support your skills development.

## What our Alumni say

“The training was great, very concrete and actionable. You can start applying it right away. The trainer constantly provided precise examples from his own experience. He showed us how he organizes his tools, roadmap, etc., which made everything very tangible. I can't wait to put it into practice.

**Tina** - Product Manager at Decathlon

“Many thanks for this top-quality training course, with many actionable elements in the PM's day-to-day role! It's a real gas pedal for going further and becoming more efficient. I really appreciated the fact that the trainers were also PMs or Heads of Product. You can get feedback on their experiences too.
