Acquired skills assessment

- Acquired skills are assessed throughout the course by the trainers.
- At the end of the session, participants will receive a **certificate of completion**.

If you have a specific need, contact us at academy@thiga.fr to discuss it and develop a training program tailored to your needs.

Thiga Academy

Our support

Teaching method

Practical work accounts for around 40% of the course. This is complemented by **40% of theory** and **20% of discussion** between participants and trainers, to ensure that the content is adapted to each participant's individual context. A "red thread" product will be used as a case study to run all the workshops.

Our trainers and alumni

Our trainers

Our training courses are led by one of our **experts**, who act as **trainers**, **program designers**, and **consultants**. They combine their professional experience with pedagogical skills to support your skills development.

What our Alumni say

"A training course given by someone who knows what he's talking about, who's really experienced in the field, in methodology. It's good to get reminded of essential concepts (northern star, metrics, perpetual questioning...)."

Vincent — Freelance Product Manager

"A very warm welcome from the members of Thiga, especially our trainer. Her feedback was very enriching, and she was able to adapt certain elements to her audience (including me)."

About Thiga

Our books on Product

We have written and published several books on **Product Management** and **Product Design**. Our goal? To provide the Product community with actionable advice and methods, from mastering the basics of Product Management to setting up a full-fledged Product organization. Our entire training curriculum is **built around these books**.

The Product Conf'

LPC (La Product Conf') brings together inventive and ambitious Product People who seek to **share their experiences** and discover the best ways to **turn their ideas into reality**. We empower the European Product community to **promote the product mindset** within their organizations.

Our Media

Explore our media platform, designed to inform and inspire today's and tomorrow's **Product leaders**. You'll find everything you need to fuel your Product journey: practical guides, thought pieces by leading experts, thematic series, and in-depth articles. In short, original content to get you through the doors of the best tech companies.
