Thiga Academy

Our support

Teaching method

Practical work accounts for around 40% of the course. To that we add **40% of theory** and **20% of discussion** between participants and trainers, to ensure that the content is adapted to each participant's individual context. A "red thread" product will be used as a case study to run all the workshops.

Our trainers and alumni

Our trainers

Our training courses are led by one of our **experts**, who act as **trainers**, **program designers**, and **consultants**. They combine their professional experience with pedagogical skills to support your skills development.

What our Alumni say

"A training course given by someone who knows what he's talking about, who's really experienced in the field, in methodology. It's good to get reminded of essential concepts (northern star, metrics, perpetual questioning...)."

Vincent — Freelance Product Manager

"Very warm welcome from the members of Thiga, especially our trainer. Her feedback was very enriching and she knew how to adapt certain elements to her audience (and in particular to me)"

Océane — Product Designer at RCA
